Bulk, recycling or trash should be put out the evening before pick-up. Your schedule is as follows: Tuesday- Recycling/ yard waste (every other week), Wednesday -

Fire won't wait, Plan your Escape!

Today's homes burn faster than ever. You may have as little as two minutes (or even less time) to safely escape a home fire from the time the smoke alarm sounds. Your ability to get out of a home during a fire depends on early warning from smoke alarms and advance planning.

It is important for everyone to plan and practice a home fire escape. Everyone needs to be prepared in advance, so that they know what to do when the smoke alarm sounds. Given that every home is different, every home escape plan will also be different.

Have a plan for everyone in the home. Children, older adults, and people with disabilities may need assistance to wake up and get out. Make sure that someone will help them!

Visit <https://www.nfpa.org/fpw> for more information or activities. Fire Prevention Week is October 9-15th.

We're doing it again!

Camden and Wyoming will be hosting a Christmas parade on Saturday December 10th starting promptly at 6pm. Route will start at CR High School and end at Railroad tracks in Wyoming.

We ask that all participants, floats, vehicles be decorated in a Christmas theme. There will be a Santa sponsored by the towns, so please do not include Santa in your theme. Parade will take place at night, so think lights!!

Santa will be available at the Train Platform in Wyoming after the parade for visits. So once parade ends, please join us on N. Railroad Ave for cider, hot chocolate, cookies and Santa!
